About the author.....	ii
Contents.....	i
Abstract.....	v
Chapter 1 SUBSTANTIATION OF THE RESEARCH.....	1
1.1 NECESSITY AND OBJECTIVE OF THE RESEARCH.....	1
1.1.1 Topic of the Research.....	1
1.1.2 Necessity of the Research.....	2
1.1.3 Objective of the Research.....	4
1.2 RELEVANT LITERATURES.....	4
1.2.1 German Literatures on the B-plan.....	4
1.2.2 Chinese Literatures on the B-plan.....	6
1.2.3 Chinese Literatures on the Regulatory Plan.....	8
1.2.4 General Review.....	14
1.3 METHODOLOGY.....	15
1.4 RESEARCH STRUCTURE.....	16
Chapter 2 INTRODUCTION OF THE URBAN DETAILED PLANNING IN CHINA AND GERMANY.....	19
2.1 INTRODUCTION OF THE URBAN PLANNING SYSTEM IN CHINA AND GERMANY.....	19
2.1.1 Introduction of the German Urban Planning System.....	19
2.1.2 Introduction of the Chinese Urban Planning System.....	27
2.2 INTRODUCTION OF GERMAN B-PLAN.....	31
2.2.1 Types & Role of German B-plan.....	31
2.2.2 Content of German B-plan.....	33
2.2.3 Preparation of German B-plan.....	36
2.2.4 Implementation of German B-plan.....	45
2.3 INTRODUCTION OF CHINESE REGULATORY PLAN.....	47
2.3.1 Evolution of Chinese Urban Planning and Birth of Regulatory Plan.....	47
2.3.2 Role of Chinese Regulatory Plan.....	51
2.3.3 Content of Chinese Regulatory Plan.....	52
2.3.4 Preparation of Chinese Regulatory Plan.....	53
2.3.5 Implementation of Chinese Regulatory plan.....	59
2.4 Summary.....	60
Chapter 3 GENERAL FRAMEWORK OF THE COMPARATIVE RESEARCH & COMPARISON OF PLANNING GOALS.....	61

3.1 General Framework of the Comparative Research	61
3.1.1 Basic Concepts of the Comparative Research Framework.....	61
3.1.2 General Framework of the Comparative Research.....	63
3.1.3 Method of the Comparative Research	69
3.2 Comparison of Development Regulation Goals of Urban Planning in China and Germany.....	72
3.2.1 Development Regulation Goals of German Urban Planning	72
3.2.2 Development Regulation Goals of Chinese Urban Planning	75
3.2.3 Comparison of Development Regulation Goals of Urban Planning in China and Germany.....	77
3.3 Summary	82
Chapter 4 THEORETICAL COMPARATIVE RESEARCH ON URBAN DETAILED PLANNING IN CHINA AND GERMANY	83
4.1 Development Regulation of German B-planning	83
4.1.1 Components of the B-plan.....	83
4.1.2 Regulation Approaches of the B-planning	84
4.1.3 Analysis of the B-planning Regulation System	84
4.2 Development Regulation of Chinese Regulatory Planning	103
4.2.1 Components of the Regulatory Plan.....	103
4.2.2 Regulation Approaches of the Regulatory Planning	104
4.2.3 Analysis of the Regulatory Planning Regulation System	105
4.3 Theoretical Comparative Research on Development regulation in Urban Detailed Planning in China and Germany	120
4.3.1 Comparison of Institutional Factors.....	120
4.3.2 Comparison of Economic Development Regulation Factors	129
4.3.3 Comparison of Social Development Regulation Factors.....	145
4.3.4 Comparison of Environmental Regulation Factors	153
4.4 Summary	163
Chapter 5 COMPARATIVE RESEARCH ON URBAN DETAILED PLANNING IN CHINA AND GERMANY: CASE STUDIES.....	166
5.1 Selection of Cases.....	166
5.1.1 Principles of the Case Selection	166
5.1.2 Selection of Cases.....	166
5.2 Comparative Research on Development Regulation of Residential Development Cases.....	169
5.2.1 Comparison of Development Regulation Goals of Residential Development Cases	169
5.2.2 Analysis of the Development Regulation System of the B-plan Case: Im Raiser	172

5.2.3 Analysis of the Development Regulation System of the Regulatory Plan Case “Shuangjing”	189
5.2.4 Comparison of Development Regulation of Residential Development Cases	203
5.3 Comparative Research on Development Regulation of Industrial Development Cases	217
5.3.1 Comparison of Development Regulation Goals of Industrial Development Cases	217
5.3.2 Analysis of the Development Regulation System of the B-plan Case: Zuse-/Curiestraße.....	220
5.3.3 Analysis of the Development Regulation System of the Regulatory Plan Case “Changgou Town”	236
5.3.4 Comparison of Development Regulation of Industrial Development Cases	249
5.4 Comparative Research on Development Regulation of Town Center Development Cases	262
5.4.1 Comparison of Development regulation Goals of Town Center Development Cases	262
5.4.2 Analysis of the Development Regulation System of the B-plan Case: Haupt-/Bachstraße.....	265
5.4.3 Analysis of the Development Regulation System of the Regulatory Plan Case “Zhongguancun West”	278
5.4.4 Comparison of Development Regulation of Town Center Cases.....	289
5.5 Summary	301
Chapter 6 INNOVATIVE PROPOSALS FOR IMPROVEMENT OF THE CHINESE REGULATORY PLANNING	304
6.1 Limitations of Development Regulation in Regulatory Planning	304
6.1.1 Nature of Regulatory Planning Limitations.....	304
6.1.2 Institutional Limitations of Development Regulation in Regulatory Planning.....	305
6.1.3 Limitations of Economic Development Regulation Factors in Regulatory Planning	307
6.1.4 Limitations of Social Development Regulation Factors in Regulatory Planning...	308
6.1.5 Limitations of Environmental Regulation Factors in Regulatory Planning	308
6.2 Innovative Proposals for the Improvement of the Chinese Regulatory Planning	310
6.2.1 Optimizing the Regulatory Planning System	310
6.2.2 Reconstructing the Regulation Goals of the Regulatory Planning	317
6.2.3 Establishing the New Regulation System of the Regulatory Planning	319
6.2.4 Establishing the New Regulatory Plan Structure	326
6.2.5 Test.....	328
6.3 Summary	332
Chapter 7 CONCLUSIONS	333

7.1 Conclusions of the Research	333
7.2 Prospect	334
REFERENCES.....	335
Literatures in Chinese.....	335
Literatures in German & English	339
Appendix A: German B-plan Maps	342
Appendix B: Chinese Regulatory Plan Maps	345
